*“ If we have faith in the nature of humanity, if we believe that the course of evolution is progress, if we are truly committed to the principles of liberty, equality, and justice, I am confident that we can return to an era in which the courts serve as the guardians of the values embodied in our Constitution, to an era in which judicial protection of the rights of the poor and the disadvantaged will once again be the order of the day. If we have the will and the determination, we will ultimately prevail. ”*

-- Judge Stephen Reinhardt

We'll walk hand in hand, we'll walk hand in hand,  
We'll walk hand in hand, some day.  
Oh, deep in my heart, I do believe  
We shall overcome, some day.
